STATEMENT OF EMERGENCY
103 KAR 3:030E

This emergency administrative regulation is being promulgated in order to provide Kentucky taxpayers the forms and information necessary to comply with Kentucky tax laws. This administrative regulation must be filed as soon as possible in order to incorporate by reference such tax forms and instructions as may be needed by taxpayers and their representative to comply with Kentucky tax laws. An ordinary administrative regulation is not sufficient, because the public relies on these forms and instructions in order to make timely and accurate filing of tax returns and payment of the correct amount of tax due. This emergency administrative regulation shall be replaced by an ordinary administrative regulation which is being filed with the Regulations Compiler along with this emergency administrative regulation. The ordinary administrative regulation is identical to this emergency administrative regulation.
